

# Health & Safety **Gold Package**

SWA's **Gold package** covers every aspect of Health and Safety for clients. It is the ultimate tailored package which you would expect from a professional outsourced partner: thorough, complete and comprehensive coverage for any customer.

## The SWA Health & Safety Gold Package:

1. Visit site and carry out a full audit. From single to multiple site audit, with a complete report detailing every aspect of the health and safety legislation which impacts upon the operations of the client.
2. Develop a full health & safety policy and procedures manual (or review existing policies). We ensure that all policies and procedures are in place with full written documentation.
3. Manage the whole package on an annual basis, providing updates as required. Providing continual no-nonsense service throughout the year, updated as legislation or your circumstances change (notification required) operating as your outsourced partner.
4. Complete the risk assessments and safe systems of work. Risk assessment is a critical procedure; we will put systems in place to ensure it happens.
5. Carry out a fire risk assessment. Fire is one of the major risks every business suffers; our expertise will minimise the risks and make sensible recommendations to ensure the safety of your people and premises.
6. Deliver training where required (H&S, first aid, fire, manual handling etc). Experienced and knowledgeable training which really makes an impact on behaviour.
7. Carry out a minimum of 3 audits per year and complete a forward action plan, Keeping you up-to-date.
8. Provide telephone and e-mail support, so you have access to online support during work hours.
9. Carry out accident investigation and reporting if and when required.
10. Liaise with the local authority and fire authority as required.

The fees for this package start from £6,500(+VAT) dependent upon the size and number of sites.
